**REMARKS****I. Double Patenting**

Claim 13 is rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 17 and 19 of U.S. Patent No. 6,644,322.

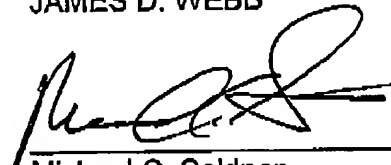

Claims 14-17 depend upon claim 13 and are rejected under the same reasons of claim 13 above.

Accordingly, Applicant hereby submits a Terminal Disclaimer with this Response. It is believed that this overcomes the double patenting rejection, and consideration and allowance of this application is respectfully requested.

Respectfully submitted,

JAMES D. WEBB
